

# Why ClaimDOC?

## Support and Savings With DirectAccess+™

DirectAccess+ is a member-focused savings solution offered by ClaimDOC in support of your company's medical plan. Using reference-based pricing principles, DirectAccess+ establishes fair reimbursement rates for medical services. As a member, you will have access to a dedicated member advocate and ClaimDOC's in-house support teams for assistance with claim auditing, provider relations, legal issues and balance bills.

### Keep More of What You Earn

ClaimDOC's focus on the member experience creates strong, sustainable medical plans, ensuring employee satisfaction. Through DirectAccess+, ClaimDOC provides greater cost control and transparency to make sure employers achieve maximum savings. Through these savings, you receive richer benefits that also allow you to keep more of your paycheck.

#### ✓ Claim Example

A six-day hospital stay for surgery/treatment of pneumothorax resulted in a bill of \$67,841.42. The chart below shows the coverage you would receive through a traditional network, compared to ClaimDOC.

##### Traditional Network

Median Commercially Contracted Price: \$41,257

Patient Responsibility (20% coinsurance): \$8,251.40

##### DirectAccess+

ClaimDOC Allowable: \$16,641.86

Patient Responsibility (20% coinsurance): \$3,328.37

**Plan Savings: \$24,615.14**

**➡ Member Savings: \$4,923.03**
